

SHORT SESSION HELD BY COMMON COUNCIL

Members of Election Board Get \$25 For Their Services—Contract For Plumbing is Awarded by Body.

The election commissioners were granted \$25 apiece for their work election night by the common council at the session Monday night. A measure was presented requesting that the amount be increased to \$35 but it was overruled in the committee meeting. Those on the committee were Samuel Pettengill, M. Guy and Frank B. Hinski. W. J. Wright was granted \$5 for his services as an assistant.

A contract for the plumbing for the north pumping station was awarded W. W. Sibley Co. for \$1,493. Of this amount 75 per cent will be paid when the work begins and the rest when it is completed.

An appropriation of \$5,000 was transferred from the general fund to the street and alley fund.

City Controller Patrick Joyce submitted his report which was referred to the ways and means committee.

At the beginning of the month there was \$214,067.56 on hand according to his report. The total collections for the month were \$26,586.43. Expenditures for the month were \$41,540.49 leaving \$178,993.00 in the treasury at the end of the month.

Theatres

RICHARD CZERWONKY.

Richard Czerwony, first violinist and concert-master of the Minneapolis Symphony orchestra, and Miss Margaret Corlew-Smith, a soprano of Chicago, accompanied by Max R. Wald of the South Bend conservatory faculty, presented a pleasing program at the Oliver theater Monday evening.

The work of Czerwony, who has been seen in South Bend before, was up to his usual high standard and the selections on the program gave him plenty of chance to demonstrate his real power over the violin. Mr. Wald had an equal part in the opening number as the soprano by Czerwony was an ensemble for two soloists and not solo with accompaniment.

Miss Corlew-Smith has a pleasing soprano voice and her two groups of songs proved highly interesting. She has a perfect command of her voice and the songs she offered gave her splendid opportunities. The concert was a real treat to music lovers and the enthusiasm with which it was received promises well for the rest of the concert to be given here this winter.

The program follows:

- Sonata No. 3, C minor, Op. 10, No. 3, Grieg
- Allegro molto, Op. 10, No. 1, Chopin
- Allegretto espressivo alla Romanza, Op. 10, No. 2, Chopin
- Allegro animato, Op. 10, No. 4, Chopin
- Songs: a—Ah, Love, But a Day, Prothero b—Tender Ties, Delbruck c—Star of Me, Rogers d—A Song of Dawn, Allister (Mrs. Smith)
- Symphony Espagnole, Op. 10, No. 1, Lalo
- Allegro non troppo, Op. 10, No. 2, Lalo
- Andante, Op. 10, No. 3, Lalo
- Rondo-Allegro, Op. 10, No. 4, Lalo (Mr. Czerwony)
- Songs: a—Autumn Song, Salter b—Flower in the Cranial Wall, Mrs. Mason c—The Spirit Flower, Campbell-Tipton d—Thought Fancies, Herbert Jones (Mrs. Smith)
- Violin groups: a—Aria, Caladara-Czerwony b—Aria, Pergolesi-Czerwony c—Caprice Venetian, Fritz Kreisler d—Aria, Paganini-Czerwony e—Scherzo-Tarantelle, Wieniawski (Mr. Czerwony)

"EVERY WOMAN"

There is widespread interest in the production of the dramatic spectacle, "Everywoman", which Henry W. Savage will offer at the Oliver theater for three nights beginning Thursday, Nov. 13, with a Saturday matinee. This is the same play and production that was seen at the Chicago Auditorium last season for a long engagement and it was subsequently presented at two other Chicago theaters. It is claimed that it is the largest dramatic and musical organization which has ever been taken on tour. The company includes in the artistic and mechanical departments nearly 100 people. It includes a symphony orchestra to render the impressive score which was written by George Whitefield Chadwick, dean of the New England Conservatory of Music.

The play is of a most unusual kind and baffles description. It contains all the attractive elements of drama, musical comedy and opera, and is really a combination of the three with a vast display of costumes and scenery. It is estimated that over three millions of Americans have witnessed it and it is now being performed in five foreign countries.

The concluding travel talk in E. M. Newman's series on the capitals of Europe will be "Vienna—the City Beautiful" which will have its presentation at the Oliver opera house next Tuesday evening, Nov. 11. Wide awake, modern and clean, with wide well paved streets and boulevards, magnificent structures, built with an eye for beauty according to a fixed plan from which none may deviate—splendid pleasure parks, playgrounds and promenades, art galleries and museums—the Austrian capital is the last work in city-planning and building.

"THE PLOT AGAINST THE GOVERNOR"

"The Plot Against the Governor" presents a subject that is of special interest today, when the ways and means committees of the various political factions are making their brains for the next worst thing that can be accomplished.

The story of this two-reel Thanhouser is a thrilling excerpt from the political conditions of our country. It has been handled by competent players who have fairly lived the part.

CLAIMS WIFE TOOK FUEL TO HER MOTHER'S

Abuse of his wife and failure to provide fuel or food are some of the complaints against Joseph Trock, 421 Huey st., who was arrested Monday night at 10:30 o'clock on a warrant charging assault and battery. Trock is said by the police to have been under arrest about a year ago on a charge of wife beating.

The husband claims there were both fuel and food in the house until last night when he declares his wife had it all removed to her mother's home. He said his wife demanded \$26 a week and he only made 25 cents an hour.

THREE KILLED WHEN TWO TRAINS COLLIDE

Blinding Snow Storm Stalls a Heavy Grand Trunk Freight and Another Strikes It.

SARNIA, Ont., Nov. 10. — Three men were killed, and at least one person was injured in a freight wreck Monday on the Grand Trunk railroad, near Wainstead, Ont. The accident occurred in a blinding snow storm. The dead:

William Moffett, conductor; George A. Hollerman, brakeman, and a man named Stapleton. All of the victims lived in this city.

A heavy Grand Trunk freight train became stalled at Wainstead and a short time later freight train No. 91, westbound, crashed into it. Engineer Kurrell of No. 91, who was at first reported killed, was unhurt. The men who were killed were riding in the caboose of the stalled train.

NUMBER OF SALOONS NOT TO BE AFFECTED

Limitation as to Population Not Estimated by Vote Cast in City Election.

Dan Pale, attorney for the board of county commissioners said Monday night that the result of the recent city election would have no effect on the maximum of saloons allowed under the Proctor law in South Bend. The ratio, under the acts of 1911, is one saloon for every 500 population. The question has already been raised in Anderson and Rochester.

Since there were 247 saloons in operation and none of the licenses have expired, the city has far more than the legal limit of saloons. The number of inhabitants the commissioners say, is based on the vote for secretary of state at the last general election. The vote is multiplied by five.

In some cities the state law has been interpreted differently and the number of saloons may be changed. That applies only to cities where there are less than the legal limit, or where there was an increase in the vote to permit more saloons. The question has already been raised in Anderson and Rochester.

Plans for Thanksgiving services have been completed by the South Bend Ministerial association through the adoption of plans recommended by a committee composed of Rev. J. O. Mosler, Rev. C. A. Decker and Rev. C. C. Ford.

The services will begin at 9:30 o'clock in the forenoon. The pastors of the churches in which the meetings are held will provide for the music and details of the programs. The schedule follows:

All west of river and north of Washington, St. Paul's, sermon by Rev. J. E. Parsons.
